PG: 2 of 4

- Rule on motions presented by counsel.
- In criminal court, determine the guilt or innocence of criminal defendants and impose sentences on defendants found guilty.
- **In civil cases, determine liability or damages.**

As of right now I have been denied all of listed above Since July 26, 2022 and this situation doesn't go well with my constitutional rights as a USA citizen.

You Honor, How much longer should I beg you for your direct involvement by expediting an evaluation of submitted by me request for Judicial Intervention and a numerous petitions related to my NOTICE OF APPEAL FROM AWARD OF BOARD OF ARBITRATORS?

If I'd be young and healthy, and have a different profession, I'd probably not put myself in a position of being the beggar for justice. That is not what I've been promised when two American man from the US State Department enter my USSR Moscow apartment and promised to save my wife's life if I'd agreed to immigrate to USA. Therefore since 1978 I've been working for USA very hard for almost 40 years. Therefore, may I kindly ask Your Honor not to ignore all my requests to you that I've keep on mailing to the clerks of court since September 10, 2024?

Below Please see intercepted by my programming coding the SCAMERS LOCATION, his name, and his Location and more. All of this information has been forwarded by me to CITIBANK Centralized Dispute Unit and which, eventually help them to locate the small amount of my stolen money. The rest of my money has been already withdraw by the scammers, because CITIBANK has violated their own procedure to start searching for the finds being stolen due to unauthorized wire electronic transfer. Incredibly, this information provided by me to CITIBANK, including details of how many minutes it took me to get it, had been managed by CITITBANK' lawyer to use it against me and eventually was one of the reason used by the arbitrator to give the award to CITIBANK!

Your Honor, I'm kindly asking you to let me know when I may expect to get hearing date SET BY YOU.
